### **Core Services Extends OAUG Three-Star Partner Sponsorship Platinum Sponsor for OAUG Connection Point® - Dubai and COLLABORATE 10 – Las Vegas Exhibitor**

**Union, N.J., January 31, 2010** - As part of its ongoing drive to deliver superior client experiences and to enhance the value of its global support, Core Services Corporation (“Core Services”) is pleased to announce its continued commitment to the Oracle Applications Users Group (OAUG) as a Three-Star Partner in 2010. As part of that commitment, Core Services will be the Platinum Sponsor for [OAUG Connection Point® — Dubai](#) for a second year and will be a major exhibitor at [COLLABORATE 10: Technology and Applications Forum for the Oracle Community](#), taking place April 18 – 22, 2010 in Las Vegas.

“OAUG Star Partners provide industry-leading tools and solutions that help Oracle Applications users to enhance their productivity and to improve the quality of their Oracle software,” says Keith Inouye, Core Services’ Vice President of Sales and Marketing. “Core Services has established a long-standing commitment to help its clients maximize the return on their Oracle Applications investments. This focused commitment is aligned with the OAUG’s program to optimize users’ experience with Oracle E-Business Suite, PeopleSoft, Siebel, Hyperion and other Oracle Applications through its connection to the extensive network of OAUG Star Partners.”

In addition to the two major events above and the Three-Star Partnership in 2010, Core Services has taken on a leadership role in the OAUG Community. Bimal Doshi, Core Services’ Vice President of Operations, serves as a member of the OAUG Connection Point® — Dubai 2010 Presentation Steering Committee.

And serving for a fourth year on the OAUG Exhibitor Advisory Council in 2010, Jennifer Lasida, Core Services’ Director of Marketing and Events, provides the OAUG exhibit management team with industry input and suggestions that help improve the exhibitor and attendee experience at OAUG conferences. Lasida says, “Core Services has supported the OAUG for more than 10 years and expects to stay active in the Oracle community through the OAUG Star Partner Program and ongoing leadership roles at regional, national and international OAUG events.”

#### **About Oracle Applications Users Group (OAUG®)**

Founded in 1990, the Oracle Applications Users Group (OAUG) is the world’s largest user knowledgebase for Oracle Applications users. The organization serves as an advocate to Oracle Corp. for companies worldwide, including more than 35 percent of the companies on the Fortune 100 list. The OAUG provides users with education, networking and support via a wide range of activities and forums including conferences,

publications, special interest groups and online communities. For more information about the OAUG, visit the Web site at [oaug.org](http://oaug.org).

### **About COLLABORATE 10: Technology and Applications Forum for the Oracle Community**

*April 18 – 22, 2010, Mandalay Bay Convention Center, Las Vegas, NV*

The Independent Oracle Users Group (“IOUG”), the Oracle Applications Users Group (“OAUG”) and Quest International Users Group (“Quest”), present COLLABORATE 10: Technology and Applications Forum for the Oracle Community. As an educational conference, COLLABORATE 10 helps users of the full family of Oracle business applications and database software gain greater value from their Oracle investments. Created by and for customers, COLLABORATE 10 offers a blend of customer-to-customer interaction and insights from technology visionaries and Oracle strategists.
